

REMARKS/ARGUMENTS

The Applicant thanks the Examiner for the Office Action dated 18 June 2004.

Double Patenting

In **Item 3** of the Office Action, the Examiner has raised an objection to a number of claims based on the issue of double patenting in view of the USPN 6737591, when combined with Bennett et al. (USPN 5051736). In response, the Applicant files herewith a terminal disclaimer.

In light of the terminal disclaimer filed, the Applicant respectfully submits that the Examiner's objection has been successfully addressed and appeals for a favourable reconsideration of this Application.

Very respectfully,

Applicant:
